

#### Open-ended Question #4

Erin begins work at 7:45 A.M. each day and completes work at 5:00 P.M.

- If Erin takes a 15-minute break in the morning and in the afternoon and is allowed a 45-minute lunch, how much time does she actually work during the day?
  
  
  
  
  
  
  
  
  
  
- If it takes Erin half an hour to drive to work in the morning, what time should she leave her house?
  
  
  
  
  
  
  
  
  
  
- Erin wants to take a half-day vacation. What time will she work until?
